

TIC WEBSITE DEVELOPMENT GUIDE

For Tech Team – EICL

Modelled after NOG Energy Week & NCDMB NOGOF

1. OVERALL OBJECTIVE

Build a **permanent, annual, multi-edition website** for the **Tech-Innovation Challenge (TIC)** that:

- Establishes TIC as a **flagship national innovation programme**
- Reflects **NCDMB's corporate identity**
- Displays **“Powered by: EICL”** in strategic, visible but non-dominant areas
- Supports **annual cycles** (2026, 2027, 2028...)
- Archives past editions and showcases impact over time
- Integrates with the **Tech-IDEAS Portal / ERIN community**
- Serves as the official home for all TIC communications, applications, and updates

This website must be built as a **long-term digital asset**, not a one-off event page.

2. BRANDING REQUIREMENTS

A. Primary Branding (NCDMB)

- NCDMB logo must be the **primary brand mark**
- Use NCDMB's official:
 - Colour palette
 - Typography
 - Brand tone
 - Layout style

B. Secondary Branding (EICL)

- EICL appears as:
“Powered by: Entrepreneurship & Innovation Centre Ltd (EICL)”
- Placement:

- Footer (permanent)
- About page
- Partners section
- Select banners (subtle)

C. Annual Branding

- TIC logo must be **year-agnostic** (no “2026” in the logo)
- Each edition (2026, 2027...) will have its own **theme**, not a new logo

3. WEBSITE STRUCTURE (ANNUAL-READY PAGE MAP)

This structure is designed to support **multiple editions** over the years.

Homepage

- Hero banner (NCDMB + TIC branding + “Powered by EICL”)
- Countdown to next milestone
- Quick links: Apply | Programme Timeline | Finalists | ERIN Community
- Overview of TIC
- Highlight of current edition (e.g., TIC 2026)
- Featured news
- Partners section
- Footer with NCDMB + EICL branding

About TIC

- What is TIC?
- Vision & mission
- Objectives
- Impact goals
- Governance structure
- “Powered by EICL” section

Current Edition (Dynamic Section)

Example: **TIC 2026 Edition**

Sub-pages:

- Overview
- Programme structure
- Timeline
- Judges & mentors
- Finalists
- Winners
- Bootcamp
- Finals
- Media gallery

Each year, a new edition is added:

- TIC 2027
- TIC 2028
- TIC 2029
- ...etc.

Past Editions (Archive Section)

Starting from 2027, this section will include:

- TIC 2026 (Maiden Edition)
- TIC 2027
- TIC 2028
- TIC 2029

Each edition page will contain:

- Summary
- Winners

- Photos
- Videos
- Impact stories

Programme Structure

- Stage 1: Screening
- Stage 2: Online Pitching
- Stage 3A: Mentorship
- Stage 3B: Bootcamp
- Stage 4: Finals
- Post-Competition Incubation
- Cycle 2 Launch

Each stage includes:

- Description
- Dates
- What participants should expect
- Icons/visuals

Timeline

Interactive timeline similar to NOGOF/NOG Energy Week.

Judges & Mentors

- Photos
- Bios
- Categories (Judges, Reviewers, Mentors)

Finalists & Winners

- Profiles

- Project descriptions
- Videos
- Downloadable pitch decks (optional)

Apply (When Open)

- Eligibility
- Application instructions
- Link to Tech-IDEAS Portal (ERIN)
- FAQs

News & Media

- Press releases
- Photo gallery
- Videos
- Media accreditation

Contact

- Contact form
- Email
- Phone
- Social media links

Footer

- NCDMB logo (primary)
- “Powered by EICL”
- Social media icons
- Copyright
- Links to NCDMB & EICL websites

4. DESIGN & UI/UX REQUIREMENTS

A. Look & Feel

- Clean, modern, event-style layout
- Strong NCDMB branding
- High-resolution hero banners
- Professional typography

B. Navigation

- Sticky top navigation
- Mega-menu for multi-edition structure
- Mobile-responsive
- Fast loading

C. Visual Elements

- Icons for each programme stage
- Infographics for timeline
- Photo grids for finalists & mentors
- Video banners (optional)

5. TECHNICAL REQUIREMENTS

A. Platform

- WordPress or custom CMS
- Must support **annual updates**
- Easy content management for EICL & NCDMB

B. Integrations

- Tech-IDEAS Portal (ERIN)
- Social media feeds
- Google Analytics
- Newsletter signup (optional)

C. Performance

- Optimised for speed
- SEO-friendly
- Secure (SSL mandatory)

6. CONTENT REQUIREMENTS

A. Copywriting

EICL will provide:

- Programme descriptions
- Stage descriptions
- Judges/mentors bios
- Finalists/winners profiles
- Press releases

B. Media

EICL will provide:

- Photos
- Videos
- Logos
- Branding assets

7. SOCIAL MEDIA INTEGRATION

Dedicated TIC Handles (Permanent)

- Instagram
- X (Twitter)
- LinkedIn
- YouTube

Website must display:

- Social media icons

- Embedded feeds (optional)

8. ADMIN & GOVERNANCE

Admin Access

- NCDMB (view + approve)
- EICL (full management)
- Tech team (backend only)

Approval Workflow

- EICL drafts content
- NCDMB approves
- EICL publishes

9. DEVELOPMENT TIMELINE (4 Weeks)

Week 1

- Wireframes
- UI/UX design
- Branding integration

Week 2

- Full website development
- Content population

Week 3

- Testing
- NCDMB review
- Adjustments

Week 4

- Final approval
- Launch

10. DELIVERABLES FOR TECH TEAM

- Full website (desktop + mobile)
- Admin dashboard
- Content upload guide
- Branding integration
- Social media linking
- Testing & QA
- Final deployment
